Elmo Motion Control - Conflict Mineral

Dear Valued Customer,

Elmo declares that the company does not purchase 3T&G directly from smelters of mines.

Elmo is committed to a socially responsible supply chain that, among other requirements, Conflict free.

We continue working with our supply chain to strengthen compliance and ensure only "DRC Conflict Free" materials are used.

Consequently, we require our suppliers to determine the sources and conflict status of the 3T&G supplied to Elmo.

Base on the written assurance Elmo has received from its major suppliers, we have no indication that Elmo products contain minerals from conflict mines or smelters in and around the DRC.

We fully understand the importance of this issue, and will continue gathering information from our supply chain, in order to proudly declare "Elmo is a Conflict Minerals free supply chain".
